

HPUL Garden Committee

Community Survey

On a Scale of 1 to 5 please answer the following (5=Very Important, 1 = Not Important)

- 1. How important is it to you to have a **healthy diet**? _____
- 2. How important is **access to healthy food** to you? _____
- 3. Is it important for you to eat **organic** fruits & vegetables? _____
- 4. How important is it for other members of **your household** to eat a healthy diet? _____
- 5. How would you rate the physical health of our community (Scale of 1-5)?

(EXTREMELY UNHEALTHY) 1 2 3 4 5 (VERY HEALTHY)

- 6. The Tribe started growing and supplying fresh produce to our community in 2015. Do you think that is **beneficial** to our community? **Yes or No**
- 7. The Tribe owns 6 acres of agricultural land (including vineyards, open fields, and blackberries) that is currently not being used. Would you like to see this land be put back into use to increase the amount of fresh produce we could supply in our community? **Yes or No**
- 8. Do you believe that growing organic fresh produce for our community would improve the long-term health of the tribe (circle one)? **Yes or No**
- 9. Do you believe we have skilled workers in our community that would be interested in working in our farming operation? **Yes or No**
- 10. Would you support grocery stores and restaurants that sell locally grown fresh produce? **Yes or No**
- 11. Are you interested in learning more about our efforts to rebuild our local food system? **Yes or No**

Any other thoughts, opinions or suggestions that you would like to share regarding our local agriculture projects:
