I would like to congratulate my daughter Sonia Aiyana Alvarado-Ray on completing her bachelors degree in Biology at Chico State. As one family member recently said to Adrienne “it’s easy to give up Sis, it’s harder to keep pushing for success. You’ve shown us all it doesn’t matter what is in your way, jump over it, knock it down and keep going no matter what!” We want to wish Adrienne the best in everything she has worked so hard to accomplish.

Blessings....

Congratulations Tj from graduating from Clear Lake High School. Tj will be attending Santa Rosa Junior College, beginning this summer 2019. He will be majoring in Sociology, and will be playing football for the Bear Cubs. Tj hopes to go on to a 4 year college following SRJC, with hopes to make it as far as he can with sports.

One day Tj would like to return back to Lake County to help bring athletic awareness to our whole community, showcasing the youths talent in all sports and helping to get colleges to see that just because we are from a small area, does not mean we do not have the same quality of talent and ability within our children to play at the next level.

Lake County has been a very special place to grow up, and has helped him to become who he is today. He would like to Thank his family, Grandma, Uncle Mike, Auntie Hope, Uncle Will, Auntie Joy, Auntie Gail, Auntie Jennie, Aunt Vera and Aunt Erma, Mom Kimberly, Dad Leo, Brother Treppa, & all his little cousins for always being there to support him in all he does, along with the Tribe. Tj has been blessed to have so much support in his life and in all that he does. He has been blessed with some great coaching over time who have also helped him to grow into who he is today.

Tj would like the youth of our Tribe and community to know that as long as you follow your dreams, stay away from drugs and alcohol and work hard as a Student Athlete, you too can accomplish anything in life. Your future begins with you and your choices when no one else is looking. Tj wants the younger kids to know that his accomplishments are also attainable by them too! Leaving Lake County will be hard, especially leaving family, but thankfully Tj will not be that far from home, as he is already making a new family within his college teammates and coaches at the next level!
