How to schedule a DNA collection appointment OFFSITE (For current members only)

*****Deadline to have DNA collected is March 31, 2019*****

****Offsite appointment requests are to be made by March 1, 2019****

- Call or email Enrollment at (707) 275-0737 x104 or enrollment@hpultribe-nsn.gov
- Leave the names of all to be tested, call back number, email address and city you want location to be closest to
- Leave any special requests, days, times that work best
- Enrollment will request a DNA collection to be scheduled
- This process can take 3-5 days to receive a date which may be 2-3 weeks out
- Enrollment will not know the date, time or location until it is sent to us by LabCorp
- Upon receipt of a scheduled DNA collection appointment Enrollment will contact the member with the information (by phone, and email, or mail if no e-mail is provided)
- If you are unable to make the appointment, you must contact Enrollment prior to the scheduled date to request a reschedule.
- You may reschedule up to 2 times as long as dates are before March 31, 2019 deadline
- Some dates received from LabCorp may be up to 2-3 weeks after a request has been made. Be sure to schedule well in advance of the deadline date.
- Carefully read all required instructions prior to your appointment!! If you do not take all required information you may not have the collection done and this will require a reschedule.

*****DNA collections are now mandatory*****
